It is fantastic to be back enjoying our beautiful school grounds and even more gorgeous students! Spring is well and truly here, and our new buildings are almost ready to open and classrooms are filled with a busy energy. We are now playing more and more music during break times which students (and many adults) seem to be really enjoying. Music, singing and dancing creates endorphins, and also provides a fantastic calming of the brain stem. A super way to begin your school day :-)

Next term we will have a lot more student choice as classes have input into the songs.

#### COVID-19

Can I just thank you all so much for your support during these times. It isn't easy navigating Alert levels, while still providing learning for students and managing our own situations at home. I thank you for your patience, kindness and understanding. Hopefully as more and more are vaccinated, we will get back to some kind of new normal.

#### New families

Welcome to so many new families, particularly those arriving since the beginning of term two. I am gradually getting to know new whanau but please don't hesitate to come and introduce yourself or ask a question, my door is always open. I trust that your child or children have had a great start to their time with us. Please, if you ever have any questions or concerns, give me a call and we can discuss further.

#### A building update...

It's ready!!!! The 2 new teaching spaces and hall are now ready for us to move in. Exciting times.

#### Key information :

- The new car park/admin area will be open and functioning from Day 1 next term, Monday October 18th, at this time the car park off Gilberthorpes road will be out of action while the upgraded library happens. Access to the new admin will be off Buchanan's road.
- Brand new junior playground will be ready to open on Day 1 next term as well.

#### Hero

Hero is being updated with your child's learning this term. Please ensure that you log in and have a look at what your child has been working on. As always, staff are happy to discuss this further if you wish.

#### After school care

It has been a long time since we have been able to offer "After school care" on our school site. This is something that we would like to look further into and see what the demand is. A survey has been sent electronically and via paper.

#### Swimming pool!

We can't wait to open the pool for the new season. We need to paint the pool prior and we have had a few difficulties getting supplies. It is likely that we will paint it in the first week of next term.

We would love some help with this, if you are able and willing to help paint the pool, please come and let us know, we would be very grateful :-)

#### Prizegiving for 2021

Our full school prizegiving will be held on Tuesday the 14th of December from 9.30-11am. If it is wet or if the weather is not in favour, we will host a junior (Year 1-3) prizegiving from 9.30-10.15 and senior (Year 4-6) prizegiving from 10.30-11.15am.

#### 2022 Key dates

We will begin 2022 with two days of Goal setting discussions. We found these incredibly valuable this year and allowed us to reconnect quickly and get off to the best possible start. These two days will be held on Wednesday 2nd February and Thursday 3rd of February. Each family will be expected to book a time throughout the day to come in and meet with the teacher to discuss learning goals and needs for the year. We will host a welcome back, fun event and party for all on Friday 4th of February.

More information will come out next term :-)

Have a fantastic holiday period, see you in term 4!

### Hair Shave Fundraiser -

Our belated Daffodil Day is on **Friday 1 October**. Wear a splash of yellow and bring a cash donation to support the Cancer Society. Each hub will have a collection tub. A parent, Teresa, a teacher, Mr Huggins and a student, MJ, will have their hair shaved to help raise money.

**Office drop box** - In the new school office, we will have a dropbox for students to place any notices/ money that needs to be sent to the office. It would be appreciated if there is money that is being handed in, that it is in an envelope or sandwich bag with their name on it, so it stays together for collection by Penny. Please help by doing this prior to it coming to school.

**Signing children in & out** - If students are late to school they must come to the school office to sign in, absence texts are sent out around 9.30 am if they were not in class at the time of the roll is taken. Also if they are leaving early for an appointment or you need to collect them earlier, it is important that the person picking them signs them out on the VISTAB, this is used in case of emergencies to know that the student has left for the day and why.

**School Colour Fun Run** - This year's fun run is happening on the 27th of October. We will be using colour and fundraising for the 'I am Hope' foundation. You may have heard of 'gumboot Friday'. This is a great foundation that promotes youth counselling, pamphlets should have come home yesterday, please start your child's online fundraising page and get those donations coming through. This is a colour fun run, so students will be asked to wear white tee shirts on the day if they can. They will get wet and covered in coloured powder. We would love parent helpers on this day, please see Penny if you are keen.

### Term 4 Sports events -

**Athletics:** Athletics training has already started here at school and we will be running Takitini's sports day on the 3 November and Whakatau will release a date at a later stage. West Zones is being held on the 10th November for the year levels 4-6.

**Olympia:** Whakatau will be visiting Olympia on the 19th of October to learn some gymnastics. Information is being sent home this week. If you have any questions please ask your homeroom teachers.

**Swimming:** Swim coaching will start up again next term. We are looking forward to getting back in the pool!

### Student Leadership -

Throughout the year we have been training up selected students to be part of a leadership team. We have four groups: Taha Tinana - This group focuses on the promotion of being active and being healthy; Taha Whānau - promotes our school values and events; Taha Hinengaro - trained in peer mediation and are active during break times; and Taha Wairua - This is our

environmental group which focus on a range of initiatives like gardening and keeping our spaces tidy and maintained. If you are interested in helping out any of our groups, please get in touch with Timmy Huggins. [timmy@gilberthorpe.school.nz](mailto:timmy@gilberthorpe.school.nz) Snapshots of our leadership groups in action will be posted to our Facebook page next term.

### Festival of Flowers

Lions will be hosting the annual Festival of Flowers on Saturday the 30th of October. Entry will be by a gold coin donation with the money raised supporting children with cancer to attend Camp Quality in 2022. More details will follow in term 4.

### Year Six Camp

Students have been given a Year 6 Camp information and permission form. Please have these back to school within the first week of next term if not earlier. For parents who would like to be adult helpers, let Miss Waho know so Police Vetting forms can be given to you. If your child did not receive a form, see Miss Waho.

### Sunhats Compulsory – Term 4

To align with our SunSmart policy all students are required to wear a wide brimmed sunhat throughout term 4. If they do not have one, they will be asked to play at break times in the amphitheatre.

### School Photos –

These were taken on Wednesday, each class had a class photo and each student had an individual photo taken. early next term your child will bring home a special code that you go onto Photo Life website and enter that unique code and it will let you see each of you child's photos. There you order and pay for the photos to be delivered to school.

### School Holidays – Maintaining Healthcare

**Headlice:** With the school holidays approaching now is a really good time to combat headlice. Check your child's hair and treat if required, but remember to re check it in 7 days and treat again.

**Threadworm:** There has also been a severe case of threadworms reported in the junior hub. This is common in schools and childcare facilities and easily spreads via hands not being washed properly. If you notice your child has an itchy bottom it may pay to check them. You can get medication from the chemist for treatment, and it may mean the whole family needs to be treated.

### Road Patrol

Are there any wonderful parents out there that could help volunteer to run road patrol in the afternoons? 2.55pm- 3.10 on any day :-)) Please come into the office if you can help.

Well done to Maddison Cummins for having the Golden Ticket Lunchbox yesterday. This is done at random, and in order to win the prize, the funder has to eat the lunch provided. Maddison is a big fan of the klunches and from chatting to her after winning yesterday, she said she has eaten the lunches since day 1. Well deserved Maddison!!!

Congratulations to Aimee Matoe for being chosen for the Harcourts Hornby Hero Award. Aimee was chosen for this award. Aimee is such a kind and caring person. She does thoughtful things for others and expects no reward. She is a great friend and supports everyone she meets. Aimee is an all-around good person and a wonderful role model for other people.
