**Gilberthorpe  
School**

**SCHOOL  
UNIFORM**

*2024 brings some exciting changes to  
Gilberthorpe School, and with this we introduce our new  
school uniform.*

*After consultation with the school community and  
reviewing your feedback, the Board of Trustees  
approved Kukri as our preferred uniform supplier.*

## Information about Ordering

Ordering of the uniforms will be through the school office.

We will have a small amount of stock on hand and will need to order from the supplier as orders come in. We endeavour to do one large order a term or as needed, and will put out reminders when we are about to do this. It can take up to 6 weeks for the stock to arrive. So ordering early is vital.

We understand the expense of kitting your child out in new uniforms, and we encourage families to pay weekly into the school account so this builds up, allowing you the funds when you need uniforms. This could be as little as \$5 a week, which will build up quickly.

To make regular payments to the school account, please use your Childs full name and Uniform as the reference. The account number to make these payments is

**Gilberthorpe School 12-3441-0069189-00**

You can view your child's school account on the Hero app, so you can regularly see what your balance is.

We will have stock to try on at school around the middle of January, and I will be posting on Hero the days that the school office is open if you wish to come and try these on. We have also ordered quite a bit of stock to start the year off, so this will be able to be purchased straight away. It is best to try these on, to get the correct size that will last your child a decent amount of time. You can view your child's school account on the Hero app, so you can regularly see what your balance is.

There are agencies available to help with uniform costs, including WINZ, Salvation Army, and Variety the Children's Charity, which the office can help you submit the application. Variety helps with many areas, not just uniforms that may be beneficial.
